## PRIVACY FENCING

### PRODUCT FEATURES

- ◆ Alumi-Guard's Fortress Aluminum Privacy Fence is today's durable, maintenance free version of the old wooden or vinyl slat privacy fence. Available in three styles – Board on Board, Shadow Box, and Stockade, and in five standard colors - Black, White, Bronze, Green, and Beige. Fortress Privacy Fence offers the look you want with all the advantages of powder coated aluminum.
- ◆ Alumi-Guard's Fortress Aluminum Privacy Fence comes in “six foot” or “eight foot” sections in heights up to 10'. Fortress Privacy Fence is constructed of 5” wide vertical slats with 1” X 2” horizontal rails.
- ◆ Matching Fortress Aluminum Privacy gates are available to fit various size openings. All Fortress Privacy Gates come with a welded frame, spring-loaded hinges, and a Gate Mate latch. There are a wide variety of latches available as upgrades.
- ◆ All Alumi-Guard Fortress Aluminum Privacy Fence is protected by Armor-Guard powder coating. Armor-Guard powder coating is over twice as thick and twice as hard as liquid baked-on enamel finish, allowing your fencing to weather the harshest environments and look beautiful for years to come. In fact, under salt spray and humidity testing, this finish performed for over 4000 hours. For residential installations, Armor-Guard carries a limited-lifetime warranty against chipping, cracking, and flaking. For commercial installations, this warranty is limited to a period of thirty (30) years. Armor-Guard powder coating is available in standard colors of Black, White, Bronze, Green, and Beige.
